Make-up Days

Snow days to date do not have to be made up. If we need to miss any more days this winter, the board will determine if they must be made up.

ISTEP & IREAD-3

Students in grades 3-8 are taking the first part of ISTEP this month, and third grade students will also take Indiana's required reading assessment, IREAD-3. Any students who do not pass IREAD-3 will be reassessed in June. If they do not pass it the second time, then the law requires them to be retained

in grade 3. It is very important that your child do well on ISTEP and IREAD-3. Please make sure that they get plenty of rest and a good breakfast each day throughout the testing window.

Intent to Return

Thank you to all families who returned your "intent to return" form which went home in February. March is our open enrollment for new families to reserve a seat for next year. If you want your child to return but have not yet turned in your form, please contact the office.

Xavier School of Excellence
3423 S. Michigan St.
South Bend, IN 46614
574-231-6600

Mrs. Smith, Director

March 2018

Mission Statement:

The mission of Xavier School of Excellence is to provide its students with a strong academic curriculum and broad cultural experiences in a supportive, innovative, and challenging environment that fosters academic success, good citizenship, and creates lifelong learners.

Greetings from Mrs. Smith

Do you know other families that may want to enroll their children at Xavier? If so, please invite them to one of our Open House events held on March 27, April 24, and May 22 from 4:30-7:30PM. Children who

turn 5 by Aug. 1, 2018 may enroll in Kindergarten. Children turning 5 between Aug. 2 and Dec. 31, 2018 may enroll in Tier 1 Kindergarten.

Please tell your friends about our great school, and

encourage them to enroll here.

Congratulations to the parents of Xavier White for winning the "perfect attendance" gas card this month!
